

Fly With Christ

And work a Chrysalis team

Dear Emmaus Pilgrims and Chrysalis Butterflies, ,

We are writing to ask that you prayerfully consider being a very special part of a very special weekend. You experienced the gift of three days with Christ on your weekend and it is our prayer that God might lead you to share the love that was shown to you by becoming a member of the 2008 Northwest Georgia Chrysalis team.

What does it mean to serve on a Chrysalis Team? It means:

to praise God and to do God's holy work here on earth.

to imitate Jesus Christ and to be a window to heaven for the caterpillars at the Chrysalis weekend.

to pray and make sacrifices for the entire team and for the caterpillars.

to bring Jesus Christ to these three days and accept the gift of the leading of the Holy Spirit.

to display Christian discipleship, as we love fellow human beings,

to demonstrate true leadership, not for glory seeking, but in loving concern;

to be a guide, not a counselor; to be a good listener; to be tolerant.

It means that when the three days are over, the caterpillars will be able to say of the team, "I came looking for Christ and found Christ everywhere at my weekend."

We are here to ask humbly that God's will be done, not ours and that as you submit your heart and soul to Christ that His love will bloom and grow in your life and those you serve in His name. The girls' weekend dates are **June 26-29th, 2008**. The boy's weekend is **July 17 thru 20, 2008**. There will be an additional commitment of 5 team meetings and the follow-up meeting. Those dates are yet to be set, but the girls tentatively plan January ?th, February 9th, March 8th, April 12th and one in June. May God hold you in the very palm of His hand.

Yours in Christ,

Amanda Blackwell (youth lay director - girls)

Davis Logan (youth lay director - boys)

Please reply to this letter either to Amanda Blackwell ablackwell@berry.edu 706-767-1343
